Confidential Health History Form

Naturopathic medicine is a unique approach to improving health and treating illness. Focusing on prevention, and using natural substances and treatments, Naturopathic Doctors support and stimulate the body's ability to heal itself. The methods used in this clinic for assessment include case history taking, physical examination and laboratory testing. Therapeutics include nutrition, homeopathy, botanical (herbal) medicine, physical medicine, hydrotherapy, detoxification techniques, acupuncture, hypnosis, craniosacral therapy and lifestyle counseling.

Each person must sign this document before any treatment will be rendered.

My signature acknowledges that I have been informed and understand that:

(1) I am encouraged to create a comprehensive health care team working towards my best interests and continue to seek medical care from other health care practitioners qualified to practice in Ontario such as a physician, surgeon, dentist, chiropractor, etc., as required.

(2) I understand that Naturopathic Doctors are required by their licensing boards to perform a screening physical examination on each new patient. This will be adhered to unless a full report is sent by the referring practitioner and that report is accepted by the attending practitioner.

(3) I have received a full and complete explanation of the treatments or services that I may receive at this office and hereby authorize and consent to treatment.

(4) I understand that working with a Naturopathic Doctor involves a team-like approach and while I expect my Naturopathic Doctor to provide me with appropriate individualized advice as to how to attain my wellness goals, I also commit to being responsible for my own health. If I am having difficulty following a treatment plan that I have agreed to, I will contact my Naturopathic Doctor so that we can make whatever modifications are necessary for my lifestyle to ensure that I continue to work towards my goal of wellness at whatever pace we decide on together.

(5) I agree to pay my full account at the time of each visit or treatment, including fees for services and costs of supplements, reference materials and laboratory tests. I am aware that these fees are not covered by OHIP. In the event that an invoice is not paid in a timely manner, I understand that 2% per month interest will be added to any outstanding balances.

(6) I am aware that I can purchase the products recommended by my Naturopathic Doctor at the location of my choice. I am under no obligation to purchase products at M&Y Chiropractic Health & Wellness Centre.

(7) I understand that to provide me with Naturopathic goods and services, M&Y Chiropractic Health & Wellness Centre must collect and use some personal information about me as required by law and governing bodies. Any other use of any personal information will require my express written consent.

(8) I understand that payment is due at the requested appointment time. I understand that M&Y Chiropractic Health & Wellness Centre requires a minimum of 24 HOURS NOTICE of any appointment change or cancellation. If I do not give 24 hour notice or fail to appear for my requested appointment time, I agree to pay the full fee for my appointment. I understand that this time is reserved for me. Initials _____

OFFICE POLICIES FOR PATIENTS

It is our experience that our patients who follow these simple guidelines obtain the best results and greatest benefits to their health.

UPON ARRIVAL

Please remove your shoes and check in at front desk. Fill out any necessary forms and return them to front desk. One of our health team members will escort or direct you to your adjusting or treatment room.

Chiropractic - Once you are in an adjustment room please empty your pockets (keys, wallet etc.) and remove any earrings and long necklaces. **Please lie face down on the table as this will relax your muscles and take the stress of gravity off your spine thus facilitating a more comfortable adjustment.**

Registered Massage Therapy, Naturopathic Medicine and Alternative Therapies - Once in your treatment room your practitioner will discuss treatments for the session. This may include areas to be treated, your position on the table, benefits/risks, today's goals and a verbal consent will be obtained before the treatment commences. If you want to change or refuse any part of the treatment at any time you have the right to do so. Your practitioner will then leave the room so that you may undress if necessary and re-enter the room once you are ready. You are covered with sheets at all times; only the area being worked on will be uncovered.

After the treatment your practitioner will suggest a treatment schedule to best suit your individual situation. They may also recommend after care exercises or stretching to further enhance your treatments. You may be asked to complete some paperwork between your treatments to allow your practitioner to fully understand the nature of your issues. Those who follow these recommendations notice better and longer lasting results.

YOUR SCHEDULE

Your specific course of care has been designed just for you by your Health Care Provider and your appointment time has been set aside specifically for you. The importance of keeping your appointments and being on time is crucial to help make our office as efficient as possible for the benefit of all our patients. If you do need to reschedule an appointment we require a minimum of 24 hours notice. Any missed appointments or cancellations without adequate notice may result in a fee being charged to you. Due to the healing nature of your treatments, we request that any missed or cancelled sessions be made up at the earliest available time, ideally within 24 hours. Please understand that as a patient you are responsible for any and all charges incurred during the course of your treatment at our wellness centre. When seeing multiple health team members we will do our best to align your appointments together because we value your time as well. If requested, a personal appointment calendar can be supplied to you.

REFERRALS

Once you understand the importance and benefits provided by each of our Health Care Providers, we are confident that you will want everyone in your family checked. The nicest compliment you can give our clinic is to refer us to your family and friends. Please free to ask anyone on our health team for any literature you may require.

Welcome to our Health and Wellness Family.

I agree and understand the above policies. Signed _____
