An accurate health history is important to assist in treating you safely. Feel free to ask any questions about the information being requested. If your health status changes in the future, please let us know.

I attest that the information I have provided is true and complete to the best of my knowledge. I also understand that the information on this form is confidential and will not be released without my written consent, unless allowed or required by law. I will be asked to provide written authorization for release of any information.

I acknowledge that I am responsible for any charges incurred in the course of my treatment and understand that a minimum of 24 hours notice is required to reschedule or cancel any appointment or a charge of the full fee for the appointment time booked will apply.

Massage Therapy is most fully experienced without clothing. However, if you are uncomfortable with this, it is totally up to your discretion and comfort, what you leave on. You will be covered completely with a sheet except for the area that is being worked on. All massages are **strictly therapeutic and non-sexual**. If any area that is being worked on is uncomfortable, you have the right to change your mind and ask the therapist to stop. ***Good communication is the key for your therapist in working within your comfort zone.***

I, as the client have the right to stop, clarify and ask questions about the massage. I also have the right to discontinue treatment at any time. I understand that the information I have provided on this form will remain confidential and will be used for no other purpose than the professional therapist's records.

I also understand that it is the therapist's right to discontinue treatment at any time and for any reason.

OFFICE POLICIES FOR PATIENTS

It is our experience that our patients who follow these simple guidelines obtain the best results and greatest benefits to their health.

UPON ARRIVAL

Please remove your shoes and check in at front desk. Fill out any necessary forms and return them to front desk. One of our health team members will escort or direct you to your adjusting or treatment room.

Chiropractic - Once you are in an adjustment room please empty your pockets (keys, wallet etc.) and remove any earrings and long necklaces. **Please lie face down on the table as this will relax your muscles and take the stress of gravity off your spine thus facilitating a more comfortable adjustment.**

Registered Massage Therapy, Naturopathic Medicine and Alternative Therapies - Once in your treatment room your practitioner will discuss treatments for the session. This may include areas to be treated, your position on the table, benefits/risks, today's goals and a verbal consent will be obtained before the treatment commences. If you want to change or refuse any part of the treatment at any time you have the right to do so. Your practitioner will then leave the room so that you may undress if necessary and re-enter the room once you are ready. You are covered with sheets at all times; only the area being worked on will be uncovered.

After the treatment your practitioner will suggest a treatment schedule to best suit your individual situation. They may also recommend after care exercises or stretching to further enhance your treatments. You may be asked to complete some paperwork between your treatments to allow your practitioner to fully understand the nature of your issues. Those who follow these recommendations notice better and longer lasting results.

YOUR SCHEDULE

Your specific course of care has been designed just for you by your Health Care Provider and your appointment time has been set aside specifically for you. The importance of keeping your appointments and being on time is crucial to help make our office as efficient as possible for the benefit of all our patients. If you do need to reschedule an appointment we require a minimum of 24 hours notice. Any missed appointments or cancellations without adequate notice may result in a fee being charged to you. Due to the healing nature of your treatments, we request that any missed or cancelled sessions be made up at the earliest available time, ideally within 24 hours. Please understand that as a patient you are responsible for any and all charges incurred during the course of your treatment at our wellness centre. When seeing multiple health team members we will do our best to align your appointments together because we value your time as well. If requested, a personal appointment calendar can be supplied to you.

REFERRALS

Once you understand the importance and benefits provided by each of our Health Care Providers, we are confident that you will want everyone in your family checked. The nicest compliment you can give our clinic is to refer us to your family and friends. Please feel free to ask anyone on our health team for any literature you may require.

Welcome to our Health and Wellness Family.

I agree and understand the above policies. Signed _____
