

M & Y Chiropractic Health and Wellness Centre
Insurance Information

Most extended insurance benefit plans contribute towards Chiropractic, Orthotics / Orthopaedic Shoes, Registered Massage Therapy and Naturopathic Medicine. Policies vary so it is imperative that you look into your personal insurance coverage and let us know about your coverage and any specific details of your plan on ***your next visit***. Please note, we are unable to accept direct payments from your insurance company. Our helpful staff will provide you with the necessary statements so you can be reimbursed quickly. It is recommended that you ask the front desk for statements at the end of each month.

It is important to phone your extended insurance company with your policy, group and plan numbers and find out the following:
